*JetCard - All the benefits of owning a jet,  
at a fraction of the price.*

The latest customer benefit program from Light Jets Australia. Ready to go when you are with transparent fixed fees; there are no ownership or maintenance costs, no hidden charges and no multi-year commitments. You will enjoy credit that never expires.

JetCard is about choice and control, providing modern day flyers with the industry's leading private jet solutions without locking you into options you don't want or need. Discover the Light Jets Australia difference and learn why our JetCard is changing the way Australia flies privately.

## WHY BUY A JET - BUY A **JETCARD!**

Whether flying for business or pleasure, you'll want to enjoy the full benefits of being a JetCard member. It's like owning your own fleet of private jets - without the financial commitment of purchasing or leasing. You can fly when you want to any place in Australia or further afield on our fleet of Citation Jets. Not only will you have access to our fleet we also give you access to operators throughout Australia and the World. This means you can either downgrade or upgrade as your needs require.

### Simple as 1-2-3

Start by purchasing, in advance, a block of 30 Jetcard hours (this is the minimum, you can of course purchase more). Then buy added hours based upon your needs. Use the hours however and whenever you wish. We'll deduct the used hours from your credit balance at the agreed fixed hourly rates. Short notice booking is simple and pricing is transparent.
